

Can You Help Us?

My name is Courage. I was hit by a car and turned in to the Camarillo shelter. Thank goodness Forever Friends came to my rescue. They have taken me to many doctors and the diagnosis is always the same. They need to remove my leg that no longer works. I'm not sure how it will turn out, but everyone keeps telling me I will feel better. I know it will cost lots of money, but my foster mom keeps saying that's OK people will help.

My name is Bandit. I have a wonderful family that wants to adopt me, but first I have to have a serious operation to fix my torn ACL—whatever that is. I guess I must be an athlete because I hear that about professional sports players. I sure would appreciate it if you would help by buying a raffle ticket. I hear there are some great prizes.
